

1st May 2010

Dear Colleagues,

We are just six months before the 14th International Conference on Harmful Algae and we are looking forward to a very challenging conference.

Registration has just started!

You will find the registration form on the conference website. Please note that the deadline for submission of abstracts and early-bird registration has been extended and it is now the 30th June 2010.

You may find all other relevant information on the conference website:

www.hab2010.gr (details and prices on accommodation, photos of the venue...)

Crete is one of the most delightful places of Greece and you will be able to combine business and pleasure.

We look forward to your registration and abstract submission.

See you soon,

K. Pagou

Chair of the local Organizing Committee of 14th ICHA

International Society
for the Study of Harmful Algae

Hellenic Centre
for Marine Research
